

Item 7152479

The Balder 75 R Vertical floor drain has a 75mm vertical outlet and is for installation in wooden or concrete joists. The Balder floor drain comes complete with a removable stainless steel NOOD water trap, clamping ring and stainless steel grate. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. The floor drain also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.
