

Item 7113929

The Brage 75 KM Vertical floor drain has a short 75mm vertical outlet and is for installation in wooden or concrete joists. The Brage floor drain comes complete with a removable water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
