

## Item 7113770

The Freja 50 Side floor drain has a 50mm side outlet and a low total height of 99mm. It is suitable for installation in wooden or concrete joists. The Freja floor drain comes complete with a removable water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain. The floor drain is manufactured in weldable PEH plastic.
