

## Item 7102836

The Heavy 75 R floor drain has a 75mm vertical outlet and is for installation in concrete joists. The Heavy floor drain comes with a stainless steel water trap, clamping ring and stainless steel grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
