

Item 812282

V131 Toilet in stainless steel, for installation against the wall. The V131 has a 102mm diameter outlet and comes with a wall bracket and installation kit. It is practical for environments where high strength and hygiene is required, such as in public toilets, leisure facilities and restaurants. It cannot be dismantled without special tools, making it also suitable for use in high security areas. The toilet seat and installation accessories are not included.
